

On September 12th, 2020, I will be helping to raise funds for the Tony Stacey Centre for Veterans Care by participating in the 14th annual Ride-to-Remember

By giving to the Tony Stacey Centre for Veterans Care, you'll be helping them to provide the highest quality of long term care for our Veterans, their families and the community. www.tonystaceycentre.ca

The centre is named in honour of World War II Sergeant Tony Stacey. It is located in Toronto and accepts veterans from across Canada. It is distinguished by the fact that it is the only veterans' long term care facility that accepts non-serving spouses of veterans, non-overseas veterans, veterans of conflicts post Korea and peacekeepers.

...even what seems like a drop in the bucket can change a life.

There are many organizations out there fundraising for worthy causes, but I hope you will donate to this cause. These funds are crucial to help provide programs, services and activities that promote personal and social wellbeing of the residents.

Your donation will do so much to enrich the lives of the brave men and women who call the centre home. My fundraising goal is **\$500**— donations may be made online via this link
